GRAFFITI AND ADHESIVE REMOVER

Biodegradable

ArroChem's Graffiti and Adhesive Remover is a high-tech, biodegradable non-hazardous product. It is designed to strip synthetic polymer coatings and adhesives, like some spray paints and permanent markers, from metal, concrete, brick and painted surfaces without the annoying odor or safety precautions. This environmentally friendly cleaner does not contain any hazardous materials and is supplied in its most concentrated form. It is non-flammable and non-corrosive.

General Characteristics:

Appearance:	Clear liquid
Solubility in Water, 25C:	Soluble
PH, 1-% solution:	7
Wetting:	Good
Foaming Nature:	Low Foam
Phosphate Content:	None
Viscosity:	100 cps (25C, 1 atm)

Application

Spray or brush solution onto part to be cleaned. Let sit until 5 minutes and activate with scouring pad or brush and either pressure wash or wipe off with cloth.

*As conditions vary, all dosages and guidelines are merely suggested starting points; it is recommended the user determine the proper operating conditions for his/her system
