ODOR CONTROL CONCENTRATE

ENZYME CONTROL AGENT

BIODEGRADABLE

ARROCHEM'S Odor Control Concentrate is specifically designed to eliminate unpleasant odors caused by vomit, spoiled foods, animal waste, etc. Odor Control Concentrate uses a multi-enzyme system which breaks down proteins, lipids, and starches without utilizing harsh chemicals. It is a natural and fully biodegradable product.

General

Appearance:	Clear Translucent Fluid
Chemical Composition:	Enzyme Blend
Solubility in Water, 25°C:	Soluble
Foaming Nature:	Low
pH, 1% solution:	7.0 ± 0.5
Phosphate Content:	None

Application:

For organic waste, dilute Odor Control Concentrate at a ratio of 2:1 with water. Spray or wipe the product onto the surfaces to be deodorized. Repeat if necessary. For grease traps, use Odor Control Concentrate daily at a ratio of 10:1. Higher concentrations may be necessary during initial applications.

*As conditions vary, all dosages and guidelines are merely suggested starting points; it is recommended the user determine the proper operating conditions for his/her system.
